- We ask that all members check in with the pro-shop before going out to play.
- We do not allow five-somes on the golf course. If you have a group of 5, please split up into groups of 3 and 2. This ensures that we can keep the pace of play moving.
- A two-person membership can be for husband and wife or a parent and child. The child must be still living at home, in school full-time and under the age of 25.
- The same rules apply for a Family of 3 or more or a Double Cart Lease.
- For obvious reasons we can only allow one cart per group of two and two carts per group of four.
