

Junior Program 2018

Time: 9am-12pm

Dates: June 20th- August 8th

Location: 1100 Ramshorn Drive. Fremont, MI 49412

Ages: 7-18 years

Dear Parents,

Waters Edge is proud to provide a great opportunity for junior golfers to expand and improve their golf knowledge and abilities. In our Junior Program, the less experienced golfers will learn basic golf instruction, USGA rules, and proper course etiquette. Intermediate to advanced golfers will improve their skills, prepare for competitive golf, and participate in weekly competitions.

The fee for the 2018 Junior Program will be \$95. This fee covers professional instruction, weekly prizes, a luncheon, and an awards presentation. There will also be a weekly greens fee of \$8.00 for use of the course. Starting this season, students can register for Youth on Course, and pay just \$5 for greens fees instead of \$8.00. For more information about what Youth on Course has to offer, please visit <https://youthoncourse.org>. Please note that Junior Program will not be held on Wednesday, July 4th. In the case of bad weather, we will notify parents of any cancelation by 8:30am via our Facebook page. Due to a busy 2018 season, we only have room for one rain date, August 15th. Let's hope for no rain!

To reserve your child's spot, please return this form and registration fee by June 18th, 2018. Cash or check is preferred. Checks can be made out to Rick Content. Forms can be mailed to 1100 Ramshorn Drive. Fremont, MI 49412, or dropped off in the pro shop.

For questions or concerns, please email our Junior Program Coordinator, Carlie at schwartz.carlie@gmail.com.
