

Discounted Golf Memberships Offered to all Newaygo County Schools' Staff

We at the Waters Edge Golf Course and Lakes 23 Restaurant deeply appreciate all of our Newaygo County school employees who work tirelessly to make a difference in the lives of our young people. Your work is challenging, the hours long in the best of times. Today what our state and nation asks of you has never been done before. The challenges you face to ensure every child has an opportunity to succeed has never been greater.

To you we say thank you, to the teachers, support staff, administrators, and board members in the school districts served by the Newaygo County Regional Education Service Agency. Our new golf membership program is for all employees who work in the Fremont, Grant, Hesperia, Newaygo, White Cloud and Big Jackson along with all employees of NCRESA.

The school district annual membership of **\$420.00** per person for 2020 reflects a significant savings off a typical single-member rate. You will also **receive a free one-hour lesson** with our PGA Professional. If you are an experienced golfer, this lesson will be a great tune-up. Less experienced golfers may find the free lesson a great way to get into the swing of things.

Additionally, you will receive a **10% discount for all dining in the Lakes 23 Restaurant.**

Waters Edge Golf Course is a beautiful 18-hole course that has been updated including a state of the art practice area.

Please visit our website at **Watersedgefremont.com**, and then click the School District Membership. Or call us at 231-924-2640 or 616-881-3369 to begin your membership into a world of golfing and dining fun.

Very Best Regards,
